

Advancing Community Unity & Prosperity

AFRICAN COMMUNITIES OF MANITOBA INC

ACOMI MEMBERSHIP: BENEFITS

The emerging trend of the modern society we live in has proven that together we can remain stronger and focused while challenging our obstacles, promoting unity out of diversity, increasing our opportunities and preserving our interests for our future generation. That is what the African Communities of Manitoba is all about.

Members will continue to see the following benefits:

- Participate in ACOMI network and their friends: Build efforts and raise awareness of members' concerns
- Be represented by the African Communities of Manitoba provincially, federally and outside of the province of Manitoba on issues relating to members
- Access updated information and receive communications, reports, Steering council minutes and important updates about the African Communities and general information
- Participate actively in a unique opportunity to get involved within African communities and in multicultural discussions
- Get elected in ACOMI elections at all levels and develop leadership skills
- Contribute to the unity and deliver results for the benefit of communities
- Be part of the group and share common interests, goals and opportunities
- Exchange cultural, social, professional experiences and other aspects of life among members
- Identify challenges and opportunities of African Communities in Canada and elsewhere
- Advertise items relating to your areas of interest on Website or in the group e-mails
- Take part in possible sponsorship and scholarship programmes

- Get organized to advance opportunities of African Communities
- Participate actively in the Folklorama organized by African Pavilion
- Advertise officially your job vacancies, courses, activities, training or events
- Share information and your culture with other African communities and friends
- Obtain support from African Communities of Manitoba and member organizations
- Conduct and promote African cultures and related vision in Canada and internationally
- Conduct forums and initiatives through African Communities' channels
- Sustain members in their developments, programs, activities and coordinated efforts and organized workshops with results and foster the development of our communities
- Establish and maintain cooperation, coordination and liaison for members benefits
